

Kuario – Self Install Must Follow

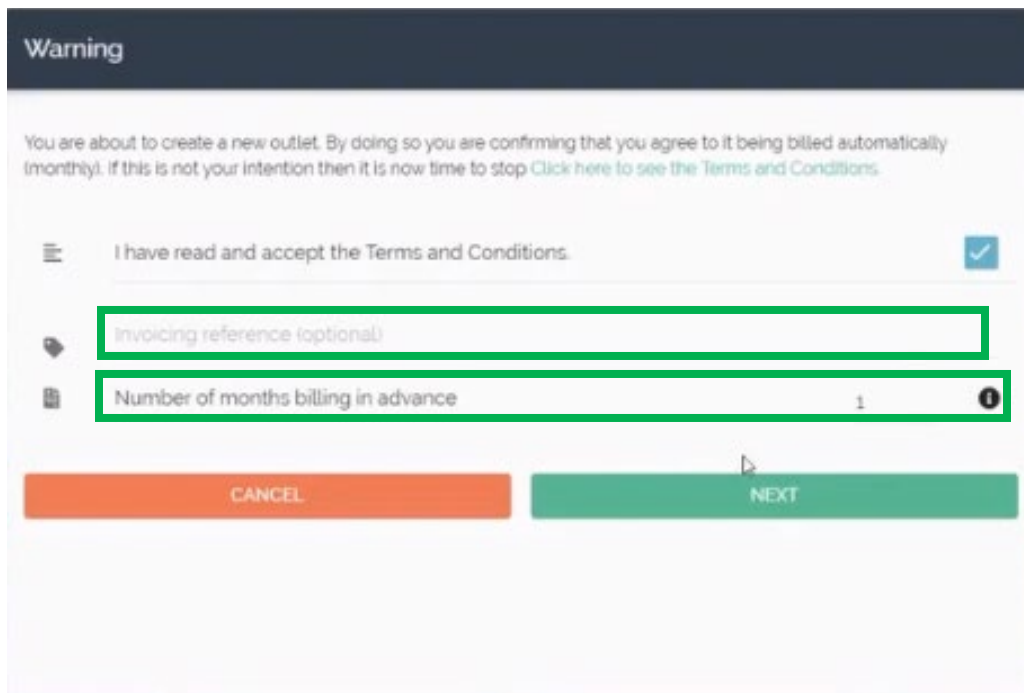

Installation of Kuario – Must follow this procedure

Thank you for purchasing Kuario. As you will be installing Kuario for your customer please make sure you follow the below steps. **This is in our Terms & Conditions which you can find within the quote you received from iTS.**

Adding Outlets

When adding outlets, please ensure you complete the following steps;

- Accept the Terms and Conditions
- In the field Invoice reference please add the **iTS Order number**. You can find this within our email confirmation.
- Change the number of months billing in advance to match your order. For example, 12, 36 etc

Warning

You are about to create a new outlet. By doing so you are confirming that you agree to it being billed automatically (monthly). If this is not your intention then it is now time to stop [Click here to see the Terms and Conditions](#).

☒ I have read and accept the Terms and Conditions.

Kuario – Self Install Must Follow

You can then continue with the rest of the installation by clicking next.

Please make sure you do this for all Outlets you're adding.
