

Partner Promotion – First Order Offer

We are pleased to introduce a special promotional campaign designed to support your business development and help you secure new projects more easily.

This limited-time offer applies exclusively to your **first order** and provides advantageous pricing and flexible licensing options to accelerate customer onboarding.

Special pricing advantage

Orders covering 1 to 9 devices will benefit from pricing aligned with the 10 to 24 devices bracket, delivering improved competitiveness and margin opportunities.

Promotion period

Now through 30th June 2026

Availability

Available with subscription terms from 1 to 5 years

Eligibility

First order only – Valid for deals including 1 to 9 devices/printers

This promotion is intended to help you position PaperCut solutions more effectively, win new customers, and maximise the value of your initial deployments.

Detailed pricing, configuration guidance and marketing materials are available upon request. Please reach out to your account manager for full support.

We look forward to driving successful opportunities together.
